Bull Realty's Senior Housing Group Expansion

ATLANTA, GEORGIA—Bull Realty welcomes commercial real estate broker Shane Connor as an addition to the firm's Senior Housing Group. Shane specializes in the acquisition and disposition of institutional-quality senior housing and healthcare-related properties throughout the Southeast.

Connor joins the firm with over 8 years of healthcare industry knowledge, having been involved in over 1,000 commercial real estate transactions and has supported Fortune 500 clients like Anthem and United Health Group.

When not assisting clients, Shane enjoys golfing and spending time with his wife and two dogs.

"When I decided to bring my commercial real estate and healthcare experience to a brokerage firm, I thought carefully about who to associate with. After soliciting feedback from industry contacts, and experiencing Bull firsthand, I knew it was the right fit. Bull has the perfect blend of being large enough with reach, reputation and power to work amongst the largest firms and deals in the industry, but has all the positive qualities of a true boutique such as: entrepreneurial, nimble, flexible, quick and a get it done for the client no matter what attitude," said Connor.

Bull Realty was founded in 1998 to provide brokers known for 1) integrity and 2) the best disposition marketing in the country. The now full-service firm is licensed in nine southeast states providing disposition, acquisition, project leasing, tenant representation and consulting services.

###

About Bull Realty:

Bull Realty, Inc. (www.BullRealty.com) founded in 1998 is a commercial real estate brokerage and advisory firm licensed in nine southeast states headquartered in Atlanta providing acquisition, disposition, leasing and consulting services.

The firm also produces the nation's leading show on commercial real estate topics, America's Commercial Real Estate Show (www.CREshow.com). Hosted by Michael Bull since 2010, the weekly show provides market intel, forecasts and strategies for investors and occupants.
